Norwegian Minister of International Development Mr. Dag-Inge Ulstein at the launch of the global strategy to tackle NCDs in low-income countries, Oslo, 22 November 2019.

Extended Description: The Norwegian government announced a first-ever international health and development strategy to combat noncommunicable diseases in low-income countries.

The Norwegian Minister of International Development, Dag-Inge Ulstein, and the Minister of Health, Bent Høie, launched the new strategy, "[Better Health, Better Lives - Combating Non-Communicable diseases in the Context of](#)

Better Health, Better Lives - Norway's development strategy on NCDs

Published on NCD Alliance (<https://ncdalliance.org>.)

[Norwegian Development Policy 2020-2024](#) [2]" on 22 November in Oslo.

The NCD Alliance applauds Norway's exceptional example of global health and development leadership, hopefully inspiring many other countries to turn longstanding political commitments into action to tackle the world's biggest killer: NCDs.
