NCD Alliance

Extended Description:

This introductory guide aims to spotlight relevant technical packages and frameworks and unpack WHO's Best Buys and other recommended interventions on NCD prevention, exploring what they entail and how civil society can leverage these in their advocacy efforts. The global NCD Alliance thanks the national NCD alliances that provided information and examples of their work as cases.

This publication was made possible thanks to NCD Alliance's partnership with the Norwegian Agency for Development Cooperation (Norad).
