

Uganda NCD Alliance Receives Funding from Denmark for its Programmes

Idioma Inglés

Source: Uganda NCD Alliance

The Uganda NCD Alliance has received a \$600,000 grant by the Danish International Development Agency (DANIDA) through its partnership with the Danish NCD Alliance.

The financial commitment is part of an ongoing twinning initiative between Denmark and Uganda in an overall effort to reduce the burden of NCDs in Uganda, focusing primarily on treating cancer, diabetes and heart disease and reducing their common risk factors of tobacco use, unhealthy diet and lack of exercise.
