Uganda NCD Alliance hosts a Patient Empowerment Day in Kampala

Idioma Undefined

On December 15th, the Uganda NCD Alliance organized an Patient Empowerment Day, where all the countries top NCD doctors, educators, screeners and counsellors travelled into a rurual community on the outskirts of Kampala to provide a comprehensive set of integrated NCD services for members of the community.

They hope to continue to organize them on a monthly basis across rural communities in Uganda and serve as an inspiration for other National NCD Alliances.
