Invest to Protect: Creating momentum ahead of the Global Week for Action on NCD financing and investment

Langue Anglais

This workshop brought together and mobilised many members of the NCD Alliance network ahead of the annual Global Week for Action campaign. It provided an overview of this year's campaign theme on financing and investment, encouraged the sharing of advocacy experiences on financing from different counties/settings and revealed more about how members can engage with the campaign to build momentum. It combined the audiences of the three Peer Learning Advocacy Networks (PLANs) and the Advocacy Institute Seed Programme Training, both of which are open to NCD Alliance member organisations and alliances.
