These working groups are tasked with realizing the commitments made in paragraphs 44 and 45(d) of the [2011 Political Declaration on NCDs](#) [4]. 73 male and 45 female names were considered. The list of the working group for realising governments' commitments to engage with the private sector for NCD prevention and control can be found [here](#) [5], and that for the working group on realizing governments' commitments to provide financing for NCDs is [here](#) [6].
