

Talking Hands campaign launched

Langue Anglais

Currently, 8.2 million people die from cancer worldwide every year, out of which 4 million people die prematurely (aged 30 to 69 years). World Cancer Day [Talking Hands](#) [1] campaign invites organisations and individuals to spread the message that "We can. I can' Take action to help prevent and fight cancer", on 4 February 2016.

Learn more about a variety of ways for your organisation and members to get involved, [here](#) [2].
