

WHO set to launch second Global Status Report on NCDs 2014

Langue Undefined

The World Health Organization (WHO) will launch tomorrow the 'Global Status Report on NCDs 2014'. It is the second in a triennial series tracking worldwide progress on prevention and control of NCDs .

Monday, 19 January 2015 11:00 | Europe Time (Paris, GMT+01:00) | 2 hr

Join [WebEx Meeting](#) [1]. Meeting number: **840 170 631**

Join by phone: 1-650-479-3208 Call-in number (US/Canada).

Access code: 840 170 631

[Global call-in numbers](#) [2] | [Toll-free calling restrictions](#) [3]

Can't join the meeting? [Contact support](#) [4]

The report is framed around the nine voluntary global targets; and provides data on the current situation, identifying bottlenecks as well as opportunities and priority actions for attaining the targets.

Katie Dain, Executive Director of the NCD Alliance, will speak at the high level panel introducing the report tomorrow in Geneva. See [programme here](#) [5].
